## **Grandstream Networks Growth Continues With Opening of New Office in Malaysia**

*Expansion into Selangor, Malaysia Broadens Presence in Asia Pacific Region; Offers Local Technical Support/Training*

**Petaling Jaya, Selangor, Malaysia, (June 3, 2015)** — [Grandstream Networks](#), a leading manufacturer of IP voice/video telephony and surveillance solutions, today announced the establishment of a new regional office in Petaling Jaya, Selangor, Malaysia. The Malaysian expansion signifies Grandstream's continued success in Asia Pacific while displaying its commitment to superior local technical support tailored to customer specific needs.

Grandstream's new Malaysia office will serve as a regional base for training and educating partners and resellers. Asia Pacific regional partners will now have local access to hands-on trainings and certifications focusing on Grandstream's complete line of award-winning IP voice, video, data and mobility solutions.

"Grandstream is committed to providing global, accessible support to its partners and customers alike," said David Li, CEO of Grandstream. "Expanding into Malaysia further bolsters our local availability and support responsiveness for our rapidly growing client base in the Asia Pacific region."

Grandstream Networks global headquarters are located in Boston, Massachusetts with multiple facilities located throughout the U.S. Other major worldwide offices are located in Morocco, Venezuela, Ukraine, Spain, Lebanon and China.

Grandstream is exhibiting IP voice, data, video and mobility solutions this week in booth 1R1-01 at [CommunicAsia](#) in Singapore at Marina Bay Sands.
